3M™ Gold Privacy Filters

Bolder. Brighter.

Unmatched privacy.

An exciting, new way to brighten your outlook on visual security.

Keep your information private and look great while you're at it with new 3M™ Gold Privacy Filters.

It's the stunning new way to add privacy and a bold look to your notebook computer screen.

3M™ Gold Privacy Filters offer unmatched privacy protection and increased clarity. Users see more clearly than ever, while from a side view, onlookers see only a dazzling golden screen. So it's easy to work anywhere, without worrying about inadvertently exposing confidential information on your screen. It's privacy - with a incredible new look.
