Free up your mind and your space with the 3M™ Monitor Whiteboard.

3M™ Monitor Whiteboard MWB100B

A dry erase panel that attaches securely to your computer monitor with a Command™ Adhesive Strip keeping your “to do” list, reminders and tasks organized, front and center so you get more done.

Features a magnetic attachment system (left and right-handed), that's easy to detach for quick and comfortable writing.

Includes dry erase marker with magnetic cap and eraser that attaches directly to the whiteboard.

Built in document clip holds up to 10 sheets.

Attach to your computer monitor with a Command™ Adhesive Strip.

Works best when mounting on monitors that have a flat surface around edge of back panel (min. 3/4" W).
