# GET IT SAID AND DONE THE FIRST TIME.

Post-it® Extreme Notes stick in tough conditions, so your message will too.

3M

# Communicating just got easier.

In industries where conditions are tough, Post-it® Extreme Notes help you communicate so your team can get it done.

# EXTREME NOTES

## Construction

### Stop re-work on the job.

You don't stop when conditions get tough, and neither do Post-it® Extreme Notes. Hot or cold, rain or shine, rough surfaces or smooth, they stick — and that means they get the message across so you can get the job done right the first time. No matter what.

- Posting punchlists
- Fixture placement
- Framing & painting
- Schedule boards & notes
- Labeling for demo

## Restaurant

### Stop miscommunication in the kitchen.

No matter how tough things get, you finish your covers. Wet, splattered, frozen or steamed, Post-it® Extreme Notes stick — and that means they get the message across, wherever you need them. Because service doesn't stop, and neither do you — all day.

- Walk-in organization
- Station setup
- Food rotation
- Labeling bar bottles
- Coordinating on the pass

# Manufacturing

## Works hard when the work is hard.

You need tools that work for any project. That's why, whether surfaces are rough or smooth, hot or cold, Post-it® Extreme Notes stick — and that means they get the message across, wherever you need them. Because every job should be a job well done. No matter what.

- Labeling controls on the floor
- Critical messages
- Instructions
- LSS
- Maintenance repair
- Shift change
- Organization

# Education

## Your favorite note just got extreme.

You need your tools to work for any classroom and any subject. That's why, whether it's rough surfaces or smooth, indoors or out, Post-it® Extreme Notes stick — and that means they get the message across, wherever you need them. Because your kids don't stop for anything — and neither do you.

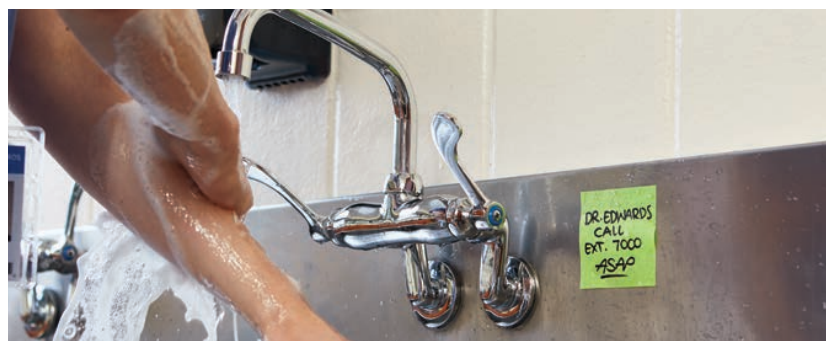

- Cinderblock walls & textured surfaces
- Coffee cans & glass beakers
- Brick & wood walls
- Backpack reminders
- Chalk & whiteboards

# Healthcare

## Stop miscommunication on the job.

When it comes to healthcare, communication is top priority. That's why, whether it's rough surfaces or smooth, hot or cold, Post-it® Extreme Notes stick. And that means you have the power to communicate clearly in even the toughest conditions — so you can keep patients and practitioners safer, no matter what.

- Refrigerators & freezers
- Lab surfaces
- Equipment status
- Handwashing stations
